AYVAKIT Product Information

AYVAKIT tablets are supplied in 3 dosage strengths:

Dosage Strength	300 mg 	200 mg 	100 mg 
NDC Codes	10-digit code: 72064-130-30 11-digit code: 72064-0130-30	10-digit code: 72064-120-30 11-digit code: 72064-0120-30	10-digit code: 72064-110-30 11-digit code: 72064-0110-30
Description	300 mg, capsule-shaped, white film-coated tablet, printed with blue ink "BLU" on one side and "300" on the other side; available in bottles of 30 tablets.	200 mg, capsule-shaped, white film-coated tablet, printed with blue ink "BLU" on one side and "200" on the other side; available in bottles of 30 tablets.	100 mg, round, white film-coated tablet, printed with blue ink "BLU" on one side and "100" on the other side; available in bottles of 30 tablets.

The **blue** zero converts the 10-digit NDC code to the 11-digit NDC code. Some payers may require each NDC to be listed on the claim. Payer requirements regarding the use of NDCs may vary. Electronic data exchange generally requires use of the 11-digit NDC.

Storage: Store AYVAKIT at controlled room temperature 20°C to 25°C (68°F to 77°F); excursions are permitted between 15°C and 30°C (59°F and 86°F) [see USP Controlled Room Temperature].

Patient Support

YourBlueprint is a patient support program that was designed with your patients' care in mind. YourBlueprint assists patients throughout many aspects of treatment by providing:

- Benefits investigation
- Financial assistance options
- Prior authorization support
- Helpful resources
